Heyla, Misty fans!

Sorry! February is almost over, and we finally realized that we hadn't sent out the QO newsletter for this month!

To bring everyone up to date on Misty's activities online:

- Her official website has been updated at <http://www.mercedeslackey.com/>
- Her Facebook page is <https://www.facebook.com/MercedesLackey/?fref=ts>
- Her Twitter address is [@mercedeslackey](#)

I have seen her posting on the Valdemar Fan Club (Queen's Own) page on Facebook. Also, this is a reminder that QO has a Facebook page where you are welcome to discuss Misty's works. (You are welcome to discuss any of her works, not just the Heralds of Valdemar books.)

And with that, considering that we will be coming out with the March newsletter in a few days, let's get on with the rest of our notices!

Zhai'helleva,

Danya

Publication News:

You can find the latest publication news for Misty here:

<http://www.fantasticfiction.co.uk/1/mercedes-r-lackey/>

(I swear, she can write faster than I can read! Book reviews would be most welcome for publication in this space.)

Podcasts of *The Secret World Chronicles* should be available on Misty's website soon.

I am in the process of updating the list of Misty's publications on the QO website: <http://www.dragonlordsnet.com/bkfanml.htm> (Really. I honestly am. I have to figure out how to load the pages to the QO

website using FTP. I am so not a tech!) When I get the new list up, I'll need reviews and someone to check for titles I've missed. (Yes, this is me in my Golds waving frantically for assistance!)

Can anyone coordinate the database I mentioned above with my list on the QO website and let me know what I need to add and where I need to add it?

Member News:

Editors and Chapter Presidents, please send us updated information if you have it.

Local chapters:

The Canada Chapter is starting back up! I hope to have their updated information in the next newsletter. Who else is still active and who is not?

- **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author A-Z" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

Collegium News:

We hope to have some new personae to announce soon! Watch this space for welcome notices.

We have individual handouts for aspiring Heralds, Healers, Bards, Blues, Mercenaries, Tayledras, Shin'a'in, and White Winds Sorcerers/Sorceresses and instructions on how to work for Herald-Mage status if you are already a Herald or for a Kal'enedral if you are already a Shin'a'in. You can find these handouts online at <http://www.dragonlordsnet.com/qohandouts.htm>.

Here is the old information: You need a release form (online at <http://www.dragonlordsnet.com/qomlrel2.htm>) if you write a story set in Misty's worlds or using any of her characters. You do not need a release for a character sketch, poem or filk. All Misty wants to do is protect her characters and her worlds.

The address that appeared at this point in previous newsletters no longer works. Message me at shashtah@gmail.com when you get to the point of submitting a release form, and I'll see what I can find out in the way of new instructions. (I think Misty now has her fanfiction licensed under Creative Commons. Can someone check that out?)

All personae materials should be sent to the QO address or submitted by e-mail to Shashtah@gmail.com and healermoon@gmail.com.

We have some personae who have not been formally announced yet. Is yours is one of them? Let us know!

If you are a returning member who has recently activated your membership in Queen's Own and we have forgotten to list your welcome message, contact Danya at Shashtah@gmail.com, and she'll make sure you are greeted in the next newsletter.

Lost . . .

One of the challenges running an online club is that people don't always leave a forwarding address when they move <g>. If you are activated on the Persona List and still listed as "missing" below, let me know. I just forgot to delete the "missing" reference in the newsletter. We are missing current e-mail addresses for just about everyone at this point. If you need your email address updated somewhere on the QO site or for the

mailing list, let me know. (Legend@malcor.com still works, but I am switching to Shashtah@gmail.com.)

(We will start generating this list again as I see e-mails start bouncing.)

From Healer Adept Moonstar:

I hope all had a very happy Valentine's Day as we are a bit late with the newsletter this month. I have unfortunately been laid off from my position within a week of returning to work. I have been looking for work hours each day, and while I have several pokers in the fire nothing solid yet that has resulted in offers. Any good thoughts are appreciated. I have found that in organizing my boxes of books I have several of the Mercedes Lackey Valdemar short story novels, I didn't realize I had, so bonus!

I was also gifted with a day at Disneyland with my son by a good friend and I had a great deal of fun wandering the park. It really is my happy place and I was excited to spend time with a visiting friend and my son. I was able to visit Chewie and get a picture snapped!
