**SPECIAL NOTE:** QO has permanently closed its PO Box and is now an exclusively online fan club!

Heyla, Misty fans!

Hope you are all doing well as we head into Valentine's day, Imbolc and other festivals. Thanks for the birthday RP! It was really fun to celebrate that way.

Misty is continuing to write faster than I can read! Please send in book reviews so I can keep up with what is going on.

Thanks to those of you who have sent us private notes. We really appreciate hearing from you, and our hearts are warmed to know that our work is appreciated.

Don't forget that our cookbook project is still ongoing. We're focusing on Valdemar this time around. We may expand to other series once this one is finished. If you need details, message me at [shashtah@gmail.com](mailto:shashtah@gmail.com)

If you have ideas for RPs you'd like us to run, let us know! We want your contributions to this group effort.

Take care as we head into March and Spring approaches!

Zhai'helleva,

Herald-Mage Adept Danya Winterborn

## Story Prompt:

Grandmother sat knitting by the fire as she did every evening and the little ones were played quietly while mother made dinner. These ordinary evening activities were interrupted by a sudden clamoring outside.

As always, if you would like any story published you can submit it to Golden Grove [sn.keeper@yahoo.com](mailto:sn.keeper@yahoo.com) with Golden Grove in the subject line.

--Herald Nalei Rayskeline

[If any other fanzine editors would like to send us story prompts, we'd be happy to publish them!]

## Contest Announcement

**Reminder:** We are now accepting submissions for the ongoing Queen's Own Contests. We will do a drawing in the January Newsletter, the winner of the contest will receive one of the randomly selected items below. Each submission must be Valdemar related. Submission includes, Personas, Artwork, Stories, Poetry, Articles, Book Reviews, Monthly RPs and Cosplays. If it is Valdemar related it will count for a submission. All submissions will be shared in future newsletters, in the case of stories they will be sent on to the zines which are needing submissions. Winner to be determined by the roll of a 10-sided die, which will cause the winner to be determined randomly as we do not want to be in the business of trying to determine better between apples and oranges. The Prize of the drawing will also be determined randomly by die roll. Please send in your submissions via email ([queensownnewsletter@gmail.com](mailto:queensownnewsletter@gmail.com)). Good Luck my friends!

## **Member News:**

Editors and Chapter Presidents, please send us updated information if you have it.

## **Local chapters:**

The Canada Chapter is starting back up! I hope to have their updated information in the next newsletter. Who else is still active and who is not?

- ❑ **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the

scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author AZ" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

- **Friends of the Pelagirs:** Contact: Morghan Savistr'i. Website: <http://www.freewebs.com/unchainedatlantic/index.htm>. E-mail: [elfchilde@gmail.com](mailto:elfchilde@gmail.com). Under new care! ## Lost . . .

One of the challenges running an online club is that people don't always leave a forwarding address when they move <g>. If you are activated on the Persona List and still listed as "missing" below, let me know. I just forgot to delete the "missing" reference in the newsletter. We are missing current e-mail addresses for just about everyone at this point. If you need your email address updated somewhere on the QO site or for the mailing list, let me know. ([Legend@malcor.com](mailto:Legend@malcor.com) still works, but I am switching to [Shashtah@gmail.com](mailto:Shashtah@gmail.com).)

## **From Herald Mage Danya Winterborn:**

I'm having an . . . interesting . . . evening. The formatting instructions just came out for a paper I wrote back in October that is being published in a "Proceedings of" journal. (For those of you who don't speak academiese—yes, I just made up a word--, that's when you give a paper at a conference, and then those papers are taken and published together as a book.) The problem? Well, the instructions were written in Croatian and translated into English (sort of). (I could stop there, but I'll go on.) for scientific papers (like Chemistry and Biology), which are nothing like Humanities papers, which is what I and the other international participants wrote. I now have about twenty people from half a dozen countries hopping up and down at me in email and on Facebook, wondering how on earth how they can fill the requirements. (The filmmaker is particularly at a loss. A script isn't close to fitting this format.) So, I've broken out the Cabernet and plan to stay up half the night, waiting for them to wake up so I can sort out this mess. Ah, the life of a writer!

My mother (who just turned 93) nearly got run over by a car in a supermarket parking lot today. The car hit the woman behind her. My back was turned at the time, and my heart skipped several beats at the sound of screeching breaks. The other woman wound up on the ground, under the car's bumper. I decided that the best thing I could do was get my mother out of the way and into the store since a dozen other people were already rushing to help the woman. "I didn't see you!" the driver said, who had to be trying to snake around my mother in order to hit the woman. Drive safely guys. No parking spot is worth someone's life.

Moonstar and I had a lovely time at the Pirate's Dinner Adventure, celebrating my Merry Birthday. (Christmas and Birthday combined. Still wondering why I named my persona Winterborn?) We had the hors d'oeuvres table of the VIP experience and got to witness the acrobatics up close. (Perhaps too close a couple of times, since I was sitting right next to the ladder our pirate had to repeatedly climb up and down.) The "monster", called "the Leviathan" was actually a dragon, which is perfect for me! I even got a special dessert to celebrate the day. Many thanks, my dear friend!

Onward! And keep the communication coming!

Zhai'helleva,

Danya
