**SPECIAL NOTE:** QO has permanently closed its PO Box and is now an exclusively online fan club!

Heyla, Misty fans!

Hope you all had a happy holiday season. I enjoyed spending Yule Eve with Moonstar. We played Talisman, a game I thoroughly enjoy though I hadn't played it in ages. It's a AD&D type board game and quite easy to learn.

Christmas and New Year's were largely uneventful for me, though I did get a copy of Misty's newest anthology, Seasons, for which I will provide a book review below. (No, we still don't have a clue how the authors are chosen for these things.)

A snafu with my publisher has prevented the fourth book in my Dragonlords series from coming out in 2019. Hopefully that will get cleared up in 2020.

Don't forget that you can drop in late to our RPs if the start time is too early for you and that I am available to RP with you upon request. Got a bunch of new information about what's going on with my persona from the new anthology, and I'm dying to test it out! (Example: the vrondi are still around so the Truth Spells do still work!) The next event will be celebrating Danya's birthday, so do try to come.

A shout out for all the modern-day Heralds and other folk who are helping to fight the fires in Australia and to save and heal as many of the injured animals as possible. If you are a QO member in Australia, please post to our Facebook list letting us know if you are okay and if there is anything we can do. (California has sent firefighters trained in fighting wildfires with super tall flames.)

Our cookbook project is ongoing. If you are reading one of the books, please keep track of the foods (even stuff like types of apples) mentioned and take note of any means to prepare them. If there is a feast, describe it. And please provide the page number so I can find it! The Winds and Storms books are spoked for. Let me know which one you want to work on, so we don't duplicate efforts. Send your work to shashtah@gmail.com.

May you all have a joyous New Year!

Zhai'helleva,

Herald-Mage Adept Danya Winterborn

## **Story Prompts:**

January Story Prompt:

It was using the children. Whatever was affecting the adults was using the children to spread.

As always, if you would like any story published you can submit it to Golden Grove [sn.keeper@yahoo.com](mailto:sn.keeper@yahoo.com) with Golden Grove in the subject line.

--Herald Nalei Rayskeline

[If any other fanzine editors would like to send us story prompts, we'd be happy to publish them!]

**Contest Announcement – WINNER for 2020 is...  
Our very own Herald Nalei Rayskeline!  
Her prize will be shipped by the end of next week!**

**Reminder:** We are now accepting submissions for the ongoing Queen's Own Contests. We will do a drawing in the January Newsletter; the winner of the contest will receive one of the randomly selected items below. Each submission must be Valdemar related. Submission includes, Personas, Artwork, Stories, Poetry, Articles, Book Reviews, Monthly RPs and Cosplays. If it is Valdemar related it will count for a submission. All submissions will be shared in future newsletters, in the case of stories they will be sent on to the zines which are needing submissions. Winner to be determined by the roll of a 10-sided die, which will cause the winner to be determined randomly as we do not want to be in the business of trying to determine better between apples and oranges. The Prize of the drawing will also be determined randomly by die roll. Please send in your submissions via email to us at [queensownnewsletter@gmail.com](mailto:queensownnewsletter@gmail.com). Good Luck my friends!

## Publication News:

*Spy, Spy Again (Valdemar: Family Spies)*, release date June 9, 2020, and is available for preorder.

Please send us reviews of any of Misty's works, old or new.

We love to hear from you!

## Book Review:

*Seasons*, Valdemar Anthology edited by Mercedes Lackey. Paperback, 329 pages. Review by Herald-Mage Adept Danya Winterborn.

First and foremost: VANYEL novella alert! It's another tale of his travels with Healer Vixen and penned by Misty herself. Beyond that I'll keep mum so I don't spoil it.

Each of the tales takes place at one of the major festivals of the year celebrated in Valdemar, some providing information about how they are observed in various locations. Everything from k'Valdemar to the lands held by the Holderkin are covered, and some require you to readjust your assumptions about the timeline. (Vanyel clearly isn't hanging out at the time Darkwind is training the new Herald-Mages.)

Some of my favorite characters have returned, notably the Dann family. Others are new to the Valdemar world. You have to pay attention in some of the stories because there are proofreading errors that are often annoying. (One tale has the first letter of the main character's name changing at random.)

All in all, the collection is riveting. And did I mention that it has VANYEL in it?

## Member News:

Editors and Chapter Presidents, please send us updated information if you have it.

## Local chapters:

The Canada Chapter is starting back up! I hope to have their updated information in the next newsletter. Who else is still active and who is not?

- ❑ **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author AZ" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.
- ❑ **Friends of the Pelagirs:** Contact: Morghan Savistr'i. Website: <http://www.freewebs.com/unchainedatlantic/index.htm>. E-mail: [elfchilde@gmail.com](mailto:elfchilde@gmail.com). Under new care! (come on, we even have a member from Golden Grove...:hugs to you:) Find us at <http://vewaystation.proboards100.com/index.cgi>. ## Lost . . .

One of the challenges running an online club is that people don't always leave a forwarding address when they move <g>. We are missing current e-mail addresses for just about everyone at this point. If you need your email address updated somewhere on the QO site or for the mailing list, let me know.

### **From Healer Adept Moonstar:**

Happy Holidays my friends!

I hope you have had a wonderful holiday season. Herald Mage Danya and I spent an evening in mid-December with a warm cup of Starbucks and a drive around to look at the holiday lights. It is wonderful to live so close to my best friend and co-president. We do try to get together a couple times a month.

Danya and a couple other friends joined for the Talisman game, which as she mentioned was great fun. It was very close, and I was sure that Danya had it in the bag to win. Yule passed here in a relaxing way, at the movies, with another friend at the theater seeing Star Wars. Which I enjoyed, even if there were giant glaring holes in the plot. I also have watched the Witcher on Netflix twice through and would love to see where the story goes from here. As a result, I am going to be buying the books in the next few weeks, as I am not sure I can wait until next year for season 2.

I have started a re-read of **Foundation** and have settled with Mags in his stable. I am looking forward to following his training through the new Collegium, and then the adventures of his children thereafter.

New Years for me was spent with my D&D group, we had our annual potluck and white elephant gift exchange. We played until about 1am, and as Kyra, the 5<sup>th</sup> level Battlemaster Warrior, we defeated several Kruthik's on our way to the next castle.

What are your holiday traditions? Do you look at neighborhood lights? Play games, exchange gifts? We would love to hear what you are doing, what you are reading!

Hugs-  
Moonstar
