**SPECIAL NOTE:** QO has permanently closed its PO Box and is now an exclusively online fan club!

Heyla, Misty fans!

Having been deluged with political ads for what seems like a year now, I find myself reading wistfully about Valdemar's monarchy. Alas, we don't have Companions to make sure we don't get a bad monarch.

Speaking of monarchs, I've been watching the CNN miniseries about the Windsors. Watching 20<sup>th</sup> Century history through the eyes of monarchs has been fascinating.

As those of you on Twitter know, the universe decided to dump on my desk this month. Ah, a writer's life! Peaceful work for weeks, and then BOOM! I had to write a chapter for someone else's book in under two weeks. I have a book on the market that suddenly needed a new bio. The proofread MS for *Dragon Dreams* arrived—edited by someone who clearly hadn't read the first three books and changed the punctuation on telepathy, which occurs on almost every single page. (I follow :Misty's: style.) And about a 100 pages of the MS disappeared somewhere. So, I'm having to go through the entire thing, line by line, and fix everything. It's a bit daunting. Then I have to have the fight about it being like dropping into *The Deathly Hallows* and not wanting to repeat everything from the first six books! Apparently the staff changed over at my publishing house without a proper turnover of the projects in progress. Argh! I don't know how Misty stands to have so many projects in progress at one time.

Hope you are all getting ready for Spring. We could do with more rain in California. I saw that Australia finally stopped burning. Huzzah to all the real-life Heralds who helped fight the blazes. I don't know where this year is going, but it seems dead set on being an adventure!

Zhai'helleva,

### **Story Prompt:**

The cat and I watched the carts and people going about their business on the other side of the window. If only I hadn't pulled that stupid prank I wouldn't be sitting here with a broken leg.

As always, if you would like any story published you can submit it to Golden Grove [sn.keeper@yahoo.com](mailto:sn.keeper@yahoo.com) with Golden Grove in the subject line.

--Herald Nalei Rayskeline

[If any other fanzine editors would like to send us story prompts, we'd be happy to publish them!]

## Contest Announcement

**Reminder:** We are now accepting submissions for the ongoing Queen's Own Contests. We will do a drawing in the January Newsletter, the winner of the contest will receive one of the randomly selected items below. Each submission must be Valdemar related. Submission includes, Personas, Artwork, Stories, Poetry, Articles, Book Reviews, Monthly RPs and Cosplays. If it is Valdemar related it will count for a submission. All submissions will be shared in future newsletters, in the case of stories they will be sent on to the zines which are needing submissions. Winner to be determined by the roll of a 10-sided die, which will cause the winner to be determined randomly as we do not want to be in the business of trying to determine better between apples and oranges. The Prize of the drawing will also be determined randomly by die roll. Please send in your submissions via email

## Book Review:

*Breaking Silence*  
SERRATED Edge Series Book 10  
– Mercedes Lackey & Cody Martin  
By Sacree Noir

I really enjoyed reading this one, it's been nice to get back into the SERRATED Edge world and meeting new characters while still having reference to some of the old.

Reading this one I felt like the pacing was faster than some of the other books in the series. My Kindle said I was about 60% finished when the book got hard to put down, especially before bed. Usually I think I'm at 75% or more before that happens. There's also some interesting elven politics in this one that I haven't seen before, but I haven't been able to get my hands on any of the earlier books that aren't by Misty so maybe I just missed something, I don't know.

## Member News:

Editors and Chapter Presidents, please send us updated information if you have it.

## Local chapters:

The Canada Chapter is starting back up! I hope to have their updated information in the next newsletter. Who else is still active and who is not?

- ❑ **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author AZ" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.
- ❑ **Friends of the Pelagirs:** Contact: Morghan Savistr'i. Website: <http://www.freewebs.com/unchainedatlantic/index.htm>. E-mail: [elfchilde@gmail.com](mailto:elfchilde@gmail.com). Under new care! ## Lost . . .

One of the challenges running an online club is that people don't always leave a forwarding address when they move <g>. If you are activated on the Persona List and still listed as "missing" below, let me know. I just forgot to delete the "missing" reference in the newsletter. We are missing current e-mail addresses for just about everyone at this point. If you need your email address updated somewhere on the QO site or for the mailing list, let me know. ([Legend@malcor.com](mailto:Legend@malcor.com) still works, but I am switching to [Shashtah@gmail.com](mailto:Shashtah@gmail.com).)

### **From Healer Adept Moonstar:**

Hello my friends!

I have just started book 3 in the Mags' books, "Changes," and I love that Mags is branching out into more friendships. I am looking forward to seeing what mischief he gets into in this novel.

As I was laid off in mid-January, I found I have been spending lots of time looking for work and playing video games.

I have also been able to take in a show at the Pirate Dinner Theater with Herald Mage Danya, for a late Yule and early Birthday gift for her. We were in the first few rows, and while we had a great time. I have to admit I realized I have a preference for Medieval Times.

We also went to our annual Oscar Party, and we both walked away with Girl Scout cookies and a prize. I found I had gone to 16 movies at the theater last year...and realized I broke the curve as most people at the party saw 4 or 5. Danya received the award for Oscar Bingo. In short a great time was had by all, and I think we are both looking forward to next year. I love to spend time with her, and last weekend she introduced me to the show *Picard*. We binged the first five episodes, and we are planning to get back together in a couple of weeks to watch the next couple episodes.

Share with us: What are you guys reading? How do you like to spend time with your friends? Have you gone to the theater recently? What's good on Netflix?

Hugs-  
Moonstar
