Heyla, Misty fans!

Happy New Year! May all your New Year's dreams come true!

Sorry I was so late getting out the first newsletter of the New Year. 2007 started off with heavy winds here, which did several thousand dollars worth of damage to my property. We're still trying to arrange to have our backyard fence replaced (The remnants are currently leaning against my house.). My collie is thoroughly enjoying his new view of the neighbor's cats, but the rest of us would like a little more privacy <g>. I also proceeded to get food poisoning from an egg salad sandwich I ate at the Nixon Library. Great library. Can't recommend the café! Anyway, I'm mostly back on my feet, and I hope to be more timely next month.

I did not have any responses to Steve Libby's letter in the December newsletter, so I'm running it again. (I'm figuring that most of you were on Winter Break.)

Steve Libbey wrote to inform me of this new project: "It's a podcast series called the Secret World Chronicle. Borne out of our 'fan fic' superhero prose when we were gaming together, it has evolved into its own unique entity.

"In a nutshell, metahumans begin manifesting in World War II. Some skew towards good, some towards evil. But everything changes in 2004, when an army of Nazis in highly advanced powered armor launch a blitzkrieg against world capitals, killing two thirds of the world's metahuman population before disappearing. In the ensuing uproar, the questions linger: Who are they? Where did their technology come from? And why do some of them appear to be inhuman?

"You can visit the website here: [www.secretworldchronicle.com](http://www.secretworldchronicle.com)

“Or directly access the RSS feed at <http://feeds.feedburner.com/secretworldchronicle>.”

Misty has agreed to be interviewed by us about this project. So if you have questions for her, please send them to me at [Legend@malcor.com](mailto:Legend@malcor.com) (and please, please, please include something in your message to remind me what this is about! I’m not exactly flying on all thrusters due to extreme sleep deprivation—see below for the explanation for that!).

### **Publication News:**

Start the New Year off right with the mass-market paperback of *Bedlam’s Edge*, coauthored with Rosemary Edghill and available on January 30. You won’t have to wait long for more new Misty: The next in her Scepter’d Isle series, *By Slanderous Tongues*, is coauthored with Roberta Gellis and will be available February 6.

Fans of the Five Hundred Kingdom world will be happy to hear that they can start reading *Fortune’s Fool*, the most recent installment loosely based on a Russian folk tale, on March 1. On May 1, the mass-market paperback of *When Darkness Falls*, Book Three of the Obsidian Trilogy, will hit shelves. And others with paperback preferences can anticipate the mass-market release of *Music to My Sorrow: Bedlam’s Bard* (another collaboration with Rosemary Edghill) on August 28.

Thanks to Tayledras Adept Starfeather K’Valdemar for this month’s book review! If you would like to submit a review of a book, film, con or faire, please send it to me at [Legend@malcor.com](mailto:Legend@malcor.com). I love to hear from you.

Artists! I’m in desperate need of art. I’m over a year behind in posting the newsletters online, and I have no art to illustrate them with. Please send submissions to me at [Legend@malcor.com](mailto:Legend@malcor.com). Thanks!

See you next month!

Zhai’helleva,

Herald-Mage Adept Danya Winterborn

*The Mountain’s Call*  
By Caitlin Brennan  
Luna

ISBN #0-373-80256-2  
Paperback \$6.99

I'd been looking at this series for a while now being a fan of both well-written fantasy novels and horses. So, when the third book came in my first shipment of Luna novels, I knew I had to get the first two and read. And I am glad I did.

Never before had a girl heard the call of the White Gods, divine creatures who take the form of white horses. But Valeria heard the call and stole away to follow it, as those who are called must. On the road she meets First Rider Kerrac, and together they go to the Mountain to learn from the White Gods and of their magic. But the Masters of the school don't want a woman violating their domain, so in spite of the gods' will, they expel Valeria. Kerrac, however, arranges her to stay on, and so she learns, and befriends the son of a chieftain. She's pulled into alliances and plots and political intrigue far deeper than this farmer's daughter ever knew.

There's only one word for this novel: breathtaking. From rich, vivid characterizations to a plot with so many twists and turns you're never sure what's going to happen next, this novel delivers a powerful, compelling read. As a young girl, and young woman, I saw the Royal Lipizzaner Stallions perform, and the author, a breeder of these same magnificent horses, brings to life the movements and precision of watching them perform. She knows her horses.

For fans of rich world-building, excellent characterization, and a page-turning story, this book delivers. I can't wait to read the next one in the series.

## Local chapters:

- ❑ **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: [DragonMamaK@aol.com](mailto:DragonMamaK@aol.com). Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author A-Z" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

### **Zines and Newsletters:**

- **Children of Velgarth:** Editor: Kendra Renaud, P.O. Box 749, Laguna Beach, CA 92652. E-mail: [healermoon@gmail.com](mailto:healermoon@gmail.com). I publish new and old personae, even previously published persona if asked by members in this new, official QO zine. I will only accept what was sent in for your persona to Queen's Own to be recognized. Any fan fiction written later should be sent to one of the other zines who really need it to keep their zines going. This fanzine will be published periodically when it reaches 80 pages or so to keep costs at \$5.00 payable in U.S. funds or 12 IRCs. Make checks payable to "Kendra Renaud". The fee covers the cost of printing and mailing; you may share (but not duplicate!) copies of the fanzine. Watch the Queen's Own newsletter for release dates. Issues 4, 5 and 6 are currently in the editing stages! Each zine will have about 10 personas for a

total of 30 personas that have been accepted in the last couple of years. For the contents list for issues 1,2, and 3 and additional information, visit

<http://www.dragonlordsnet.com/qozine.htm>.

- **Companions' Grove** still needs stories, and artists to illustrate stories! (Remember, all contributors get a free copy of the zine in which their work appears.) Volume Eight is full, and awaiting the illustrations and final layout. **\*\* If you contributed a story or promised me artwork for Volume Eight and have not heard from me recently, please get in touch with me, as I had to reformat my hard drive and lost my zine correspondence and address book earlier this year. If I don't hear from you by September 2003, I will have to drop your contribution from the zine. \*\*** Volume Nine is open to submissions. Current prices (not including shipping) are:

- *Companions' Grove Volume One* - \$4.75 (40 pages, color cover)
- *Companions' Grove Volume Two* - \$6.35 (56 pages, color cover)
- *Companions' Grove Volume Three* - \$5.95 (51 pages, color cover)
- *Companions' Grove Volume Four* - \$4.95 (42 pages, color cover)
- *Companions' Grove Volume Five* - \$7.75 (69 pages, color cover)
- *Companions' Grove Volume Six* - \$6.55 (57 pages, color cover)
- *Companions' Grove Volume Seven* - \$5.95 (52 pages, color cover)
- *The Danya Winterborn Saga* - \$5.20 (52 pages, b/w front and back covers)
- *Endgame* - \$3.85(36 pages, b/w cover)
- *Fire Eyes* - \$4.40 (43 pages, b/w cover)
- *Shards of Autumn* – out of print, see note below
- *The Sum of Duty* - \$5.80 (57 pages, b/w cover)
- *Do or Dye: A Guide to Companion Camouflage* - \$1.25 (20 pages, digest size, b/w cover, saddle stapled)
- *Cat's Cradle* - \$7.60 (76 pages, monochrome green cover)

For orders shipping in the US, I've instituted a maximum shipping cost of \$3.85. Multi-zine orders, which can be shipped in a flat

rate envelope (usually 3 of the smaller zines, or 2 of the larger zines), will be sent Priority Mail; larger orders will be sent Media Mail Insured, which is only slightly slower and doesn't have the zone rates (which wouldn't work with my shopping cart). Smaller orders will be sent First Class.

I take credit cards via PayPal, which is the cart's only payment option, but the cart can be used to calculate shipping, and checks/money orders mailed to Green Dragon Press, c/o Devin Harris, 4531 N. Kelishan St., Pahrump, NV 89060.

Except as noted, zines are printed on high-quality, bright white paper, comb bound, with cardstock covers. Story excerpts and cover art—as well as submission guidelines and PayPal ordering information—can be found at <http://www.greendragonpress.net/misty.htm>. To order via snail mail, send check or money order (payable to Devin Harris; US funds only) to Green Dragon Press, c/o Devin Harris, 4531 N. Kelishan St., Pahrump, NV 89060.

**Note regarding *Shards of Autumn*:** While this zine is officially out of print and no longer available on the website, a few copies are left over from convention appearances. Any remaining copies from MediaWest will be available at that con until they sell out; the others are being returned to me and will be auctioned off at <http://www.auctionfen.com> until they are gone. I also occasionally auction off zines which returned from cons a bit shopworn, so it's a good site to check periodically.

- **Golden Grove:** Editor: Aurora Nelson. E-mail: [evillurking@gmail.com](mailto:evillurking@gmail.com). Snail mail: 5774 Mareta Lane, Loomis, CA 95650. *Golden Grove* needs your submissions!   - 2) Do not use strange fonts, which my computer will not recognize.

**From Herald-Mage Adept Danya Winterborn:**

Heyla, folks!

Hope you all had a wonderful holiday season. I had the kids home from school during the week between Christmas and New Year's as well as for the first week of 2007. We did a bunch of stuff. We went to Legoland and Disneyland both twice, saw *Charlotte's Web* and *Night in the Museum*, visited the Natural History Museum in L.A. and the Bower's Museum in Orange County (The latter had a really cool exhibit on mummies.). We explored the Science of Gingerbread at the Discovery Center, and we also spent time at the L.A. Zoo. Last Sunday we went to the Nixon Library in Yorba Linda. It was really spectacular—even if I did get food poisoning from a sandwich I ate there. All in all, it was quite the active Winter Break!

Our Garden Railway expanded significantly over Christmas. We've added a station and a farmhouse, several figures and enough train cars that my husband is muttering about "another engine" and "more track" <g>. The kids, especially John, are having a great time with—as are the adults!

Our New Year's party was very well attended this year. As a surprise, one of our guests brought a professional chef. It really made my year that she raved about my cooking <g>!

Well, I have a stack of persona approvals and book reviews that I need to get busy reading. Hopefully I can get caught up on my work backlog soon—although my calendar is already looking crazy busy for 2007!

Happy New Year!

Zhai'helleva,

Danya

## **Personals:**

- ❖ **From Aurora Nelson:** Heyla! Rea Wildfire (aka Aurora Nelson) is looking to contact her penpals old and new. If you remember her or would like to say, "hi," please contact her at [Evillurking@gmail.com](mailto:Evillurking@gmail.com).
- ❖ **From Cliff Hunter:** I'm looking for a penpal I used to know through QO. Her name is Dara Murphy. Anyone with information about how I can contact her, please e-mail me at [DeathrockCliffy@aol.com](mailto:DeathrockCliffy@aol.com).

- ❖ **From Jennifer M. Mackay-Galicia (Herald Mallea D'Lar):** I have a new email address: [mackayjenn@yahoo.com](mailto:mackayjenn@yahoo.com)! SNAIL MAIL: PO BOX 66408, Portland, OR 97290. If you like to read, I'm your girl. Just give me a book and a quiet nook--I'm happy! Misty, Tad Williams, J.R.R. Tolkien, Mindy Klasky (Glasswright series), DragonLance (the M. Weiss/T. Hickman original books and new), SF Classics like H.G. Wells, George Orwell, ect., ect. I'm about to sink my teeth into David Eddings on my sister's recommendations. I just finished watching SEVEN seasons of Buffy the Vampire Slayer. That was fun! I've gone through all NINE years of The X-Files. I'm a huge X-Files fanatic. (Did I forget to mention my love affair with box sets on DVD?) I'm a fan of every Star Trek show made, Star Wars, Battlestar Galactica (got my box set), Babylon 5, Quantum Leap, and just about anything else that grabs my attention. If you wish you could take a trip to the moon, or just get out of Mundania for awhile, please feel free to drop me a line!
  
- ❖ **From Ellen Million:** Not only is Ellen Million Graphics still around (ten years last October!), but I now offer an array of gorgeous new work by new artists, on many new products (including t-shirts!) and a brand new character portrait service. Ordering is available on-line or by snail mail: <http://www.ellenmilliongraphics.com>. I'd also love to get back in touch with lost penpals! (Use the contact form on the website to avoid death-by-spam-filters!)
  
- ❖ **TO EVERYONE who enjoys Misty's world and the vast realm of fantasy in general . . .** ANGELA K. SCOTT CREATIONS is still around! You may remember my humble business from past QO (snail-mailed) newsletters. I sell fantasy & M. Lackey-related stationery and bookmarks; Heralds, Shin'a'in, faeries, unicorns, magic, and more! I now offer cards (in packs) with 22 fantasy & scifi designs to choose from, as well a special line of cat-angel cards I call my "Furry Angel Series". I do commissioned artwork as well- please contact me for further details. Gift Certificates are available as well! I am still relatively new to owning a computer & setting up a system (need a scanner!), so I do not have an online version of my 'business'. I'm working on having my merchandise booklet up on my homepage or some way to view merchandise & order info, etc. I know "snail-mail" is a foreign concept to some people, though I still enjoy communicating this way, BUT if you'd like to receive my 6+ page merchandise booklet please contact me: Angela K. Scott-Gosnell, 217 Spear Drive, Fort Bragg, NC 28307. **\*PLEASE enclose SASE**, which is a stamped envelope with your

address on it. I will get the requested booklet mailed back to you ASAP! Thanks to all of my past and current customers, and hope to hear from you!

❖ **From White Winds Sorceress Cime Shadow Weaver. To All.**

❖ **From Herald-Mage Danya. To: All. Re: Cookbook.** Our version of a Misty-related cookbook is still in progress. We are compiling a cookbook based on meals that Misty describes in the Velgarth series. If anyone is currently reading the books, could you note the book and page any food items are mentioned on and send them to me at [Legend@malcor.com](mailto:Legend@malcor.com)? (We've been pulling some information from *The Valdemar Companion*, and we're getting quite a nice little list!) Thanks!
