Heyla, Misty fans!

Well, I'm officially two years behind on my coding for the newsletters on the website. Sorry! At least the newsletter itself is still coming out on time (mostly <g>), thanks to the heroic efforts of Herald Auryn. I couldn't be keeping up with this without her.

BTW, for all of you who have offered to help, I do have a job I'd like to give to someone. Is anyone interested in making me a list of Misty's books that are missing from the bookstore portion of the QO website? (I'm pretty sure I'm missing some other important ones, such as the seventh Harry Potter book, but the Misty material is critical.) Message me at Legend@malcor.com if you can scan the site, compare it to our "Publication News" columns, and let me know what I need to add.

We're developing quite a lengthy "missing" list below. Please take a moment, and see if you know any of these folks. We'd like to get back in touch with them!

Publication News:

October is a good month for Misty fans: The paperback version of *Aerie*, Book 4 in Misty's Dragon Jousts series, is due out on October 2, and on October 30, look for *Reserved for the Cat*, the fifth book in the Elemental Masters series.

In December, a collaboration with James Mallory, *The Phoenix Unchained: Book One of the Enduring Flame* is scheduled for release in Audiobook on the 1st.

Next year, *Firebird* will be released in paperback January 8, and *Fortune's Fool* will be released in paperback on February 1. Two of Misty's collaborations with Roberta Gellis will be available next year: The paperback version of *By Slanderous Tongues* on February 26, and the brand-new hardback of *And Less Than Kind* on April 1.

Do remember that you can order your copy of any of these fine books through the Dragonlord's Bookstore at <http://www.dragonlordsnet.com>. A portion of all sales through this site goes to QO. This is how we keep our memberships free, so we really appreciate your support!

Our book review for this month is supplied by Tayledras Adept Starfeather K'Valdemar. Thanks a million! If you would like to submit a review of a book, short story, film, con or Ren. Faire to the QO newsletter, send it to me at Legend@malcor.com. Also, artists, when I do get back to coding, I will be in desperate need of art. Please send anything you have!

Happy Harvest!

Poison Study

By Maria V. Snyder

Luna

ISBN #0-373-80257-9

Paperback \$6.99

I'm not usually a fan of books written in the first person, but from the opening lines, this volume swept me into the world and simply wouldn't let me go. The story is about a woman condemned to death for murder, who receives a reprieve: She can become the food taster and risk daily death or be executed. Of course, our heroine takes the risk, and it's good she does.

Poison Study is the author's first novel, and although there are a few minor things along the way, it was a smooth read from cover to cover. This page-turner keeps things moving with an intricate, but fast-paced, plot, a likeable heroine, and high stakes. We're introduced to a rich world where magical powers are shunned as much as they're coveted, and there's traffic in humans and drugs that parallels many of the ills of our

own society. I loved the way our heroine took charge of her life and the way she makes friends and allies along the way. This book is more than about staying alive, though that does consume a large portion of it. It's about life and love.

An excellent read and well recommended.

Local chapters:

- ❑ **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author A-Z" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

For orders shipping in the US, I've instituted a maximum shipping cost of \$3.85. Multi-zine orders, which can be shipped in a flat rate envelope (usually 3 of the smaller zines, or 2 of the larger zines), will be sent Priority Mail; larger orders will be sent Media Mail Insured, which is only slightly slower and doesn't have the zone rates (which wouldn't work with my shopping cart). Smaller orders will be sent First Class.

I take credit cards via PayPal, which is the cart's only payment option, but the cart can be used to calculate shipping, and checks/money orders mailed to Green Dragon Press, c/o Devin Harris, 4531 N. Kelishan St., Pahrump, NV 89060.

Except as noted, zines are printed on high-quality, bright white paper, comb bound, with cardstock covers. Story excerpts and cover art—as well as submission guidelines and PayPal ordering information—can be found at <http://www.greendragonpress.net/misty.htm>. To order via snail mail, send check or money order (payable to Devin Harris; US funds only) to Green Dragon Press, c/o Devin Harris, 4531 N. Kelishan St., Pahrump, NV 89060.

Note regarding *Shards of Autumn*: While this zine is officially out of print and no longer available on the website, a few copies are left

over from convention appearances. Any remaining copies from MediaWest will be available at that con until they sell out; the others are being returned to me and will be auctioned off at <http://www.auctionfen.com> until they are gone. I also occasionally auction off zines which returned from cons a bit shopworn, so it's a good site to check periodically.

Collegium News:

We have individual handouts for aspiring Heralds, Healers, Bards, Blues, Mercenaries, Tayledras, Shin'a'in, and White Winds Sorcerers/Sorceresses and instructions on how to work for Herald-Mage status if you are already a Herald or for a Kal'enedral if you are already a Shin'a'in. You can find these handouts online at <http://www.dragonlordsnet.com/qohandouts.htm>.

You need a release form (online at <http://www.dragonlordsnet.com/qomlrel2.htm>) if you write a story set in Misty's worlds or using any of her characters. You do not need a release for a character sketch, poem or filk. All Misty wants to do is protect her characters and her worlds. Send the release form (you do NOT need to include the story) to Misty c/o Paul Fisher, 16525 E 470 Rd., Claremore OK 74017. Do NOT include the release form with your persona material; send it to Misty. Send a *copy* to us.

All personae materials should be sent to the QO address or submitted by e-mail to Legend@malcor.com and healermoon@gmail.com. We have no new personae to announce at this time, but several submissions are being reviewed. (I apologize profusely to everyone who is patiently waiting for me to have enough time to review the submissions! I will get to them as soon as I can.)

If you were working on a persona who is no longer listed at <http://www.dragonlordsnet.com/qochat.htm> that means we have not heard from you in over a year. To revive your persona, simply message Danya at Legend@malcor.com and tell her that your persona is in "Deep Storage." She will pull it out for you and reactivate your submission.

If you are a returning member who has recently activated your membership in Queen's Own and we have forgotten to list your welcome message, contact Danya at Legend@malcor.com, and she'll make sure you are greeted in the next newsletter.

From Herald-Mage Adept Danya Winterborn:

Heyla, folks!

Wow! Talk about a busy end to summer! Since the last newsletter I've been to Italy and returned. The lectures went well, and there are already plans in the works for another meeting, this time in Florence. I stayed at Baia, a bit west of Naples. I got to bathe in the Stufe di Nerone, Roman baths that date back to the second century C.E. I climbed Mount Vesuvius, and I got a cell phone signal at the summit (so I called my husband, who was a bit bemused at being awakened at 4 AM <G>)! I spent a little time at Pompeii, though it wasn't enough. I hope to get back there some day. (I was on a tour for that part of the trip, and I couldn't really see everything I needed to see.) I saw the surgical tools in

the Archaeological Museum of Naples, which I think belonged to M. Artorius Asclepiades, the ancestor of L. Artorius Castus, the soldier I think was the historical King Arthur. Several days were spent with Ivano Marescotti, who played Bishop Germanus in *King Arthur* (He's quite delightful.). I saw a play about the Ghost of Agrippina aboard a boat on the Bay of Naples. I climbed to the ruins of the temple of Jupiter and into the Sybil's cave at Cuma. I visited the temple of Apollo at Lake Lucrino, and I stood on the floor of the arena where Spartacus fought at Capua. In all it was quite the exciting business trip (I love my job <G>!).

Back home I'm getting off to a late but fun start as a PTA president and Girl Scout leader. My troop has tons of plans to do things this fall (apparently they missed their adventures over the summer <g>). I hope I can get everything scheduled and leave time for all of the family parties I wind up giving this time of year. Fortunately my eldest son decided to have his birthday at Medieval Times this year, so that was a lot easier! My daughter wants a Sponge Bob party, and my youngest son plans to have a Curious George party. Meanwhile, it looks as if I'll be having Davy Jones, Violet (from *The Incredibles*) and Captain Hook visiting me on Halloween.

We went to the LA Fair the other day. It was a blast! If you are ever in California in September, do make an effort to go. It's well worth it.

I keep telling myself that everything is going to calm down in a few weeks . . . Then I remember last year, when things didn't really slow down at all. Oh, well. At least I got four books read while I was waiting for dinner in Italy (I'd call my husband at 1:30 AM my time and say, "Yeah, I just got back from dinner." The Italians keep a bit different schedule from a California Mom of three <g>.).

Have a great Fall!

Zhai'helleva,

Danya

Just give me a book and a quiet nook--I'm happy! Misty, Tad Williams, J.R.R. Tolkien, Mindy Klasky (Glasswright series), DragonLance (the M. Weiss/T. Hickman original books and new), SF Classics like H.G. Wells, George Orwell, ect., ect. I'm about to sink my teeth into David Eddings on my sister's recommendations. - ❖ **TO EVERYONE who enjoys Misty's world and the vast realm of fantasy in general . . .** ANGELA K. SCOTT CREATIONS is still around! You may remember my humble business from past QO (snail-mailed) newsletters. I sell fantasy & M. Lackey-related stationery and bookmarks; Heralds, Shin'a'in, faeries, unicorns, magic, and more! I do commissioned artwork as well- please contact me for further details. Gift Certificates are available as well! I am still relatively new to owning a computer & setting up a system (need a scanner!), so I do not have an online version of my 'business'. I'm working on having my merchandise booklet up on my homepage or some way to view merchandise &

order info, etc. I know “snail-mail” is a foreign concept to some people, though I still enjoy communicating this way, BUT if you'd like to receive my 6+ page merchandise booklet please contact me: Angela K. Scott-Gosnell, 217 Spear Drive, Fort Bragg, NC 28307. ***PLEASE enclose SASE**, which is a stamped envelope with your address on it. I will get the requested booklet mailed back to you ASAP!
