Heyla, Misty fans,

In memory of September 11, 2001, here is a portion of the October QO newsletter that spoke about that event:

We've heard from a number of you over the last few weeks. Our hearts go out to all who have been touched by the tragedy of September 11th. We are inspired by the stories you have told us about how you have found various ways to help. It is comforting to know that the Heraldic spirit is alive and well among the members of Queen's Own.

We want to take this opportunity to acknowledge all of the modern-day Heralds that we've seen in action during the past few weeks: the firefighters and police officers who lost their lives trying to save others, the people who helped their colleagues to safety and those who stayed behind so friends and strangers would not die alone, the rescue workers and medical personnel who have worked so long and hard, helping the survivors and reaching out to the families and friends of those who did not survive . . . We have also heard stories of heroic animal companions: the guide dog who led a blind woman down and out of the building from one of the floors in the 70s, the rescue dogs who worked alongside their human counterparts . . . The tales go on and on . . .

We also ask your continued vigilance in combating the hate crimes that have occurred in some areas. Just as the Valdemarans in the Storms series needed to learn to overcome their prejudices against the Karsites after centuries of war, we modern folk of the real world need to remind ourselves and others that a few bad people do not make all members of a given ethnic group evil. We encourage you to reach out to the Middle Eastern people you know and give them a friendly word, support their businesses, and otherwise encourage them in this difficult time.

Zhai'helleva,

Danya

Local chapters:

The Canada Chapter is starting back up! I hope to have their updated information in the next newsletter. Who else is still active and who is not?

- **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author A-Z" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

Collegium News:

We hope to have some new personae to announce soon! Watch this space for welcome notices.

We have individual handouts for aspiring Heralds, Healers, Bards, Blues, Mercenaries, Tayledras, Shin'a'in, and White Winds Sorcerers/Sorceresses and instructions on how to work for Herald-Mage status if you are already a Herald or for a Kal'enedral if you are already a Shin'a'in. You can find these handouts online at <http://www.dragonlordsnet.com/qohandouts.htm>.

Here is the old information: You need a release form (online at <http://www.dragonlordsnet.com/qomlrel2.htm>) if you write a story set in Misty's worlds or using any of her characters. You do not need a release

for a character sketch, poem or filk. All Misty wants to do is protect her characters and her worlds.

The address that appeared at this point in previous newsletters no longer works. Message me at shashtah@gmail.com when you get to the point of submitting a release form, and I'll see what I can find out in the way of new instructions. (I think Misty now has her fanfiction licensed under Creative Commons. Can someone check that out?)

All personae materials should be sent to the QO address or submitted by e-mail to Shashtah@gmail.com and healermoon@gmail.com.

We have some personae who have not been formally announced yet. Is yours is one of them? Let us know!

If you are a returning member who has recently activated your membership in Queen's Own and we have forgotten to list your welcome message, contact Danya at Shashtah@gmail.com, and she'll make sure you are greeted in the next newsletter.

Lost . . .

One of the challenges running an online club is that people don't always leave a forwarding address when they move <g>. If you are activated on the Persona List and still listed as "missing" below, let me know. I just forgot to delete the "missing" reference in the newsletter. We are missing current e-mail addresses for just about everyone at this point. If you need your email address updated somewhere on the QO site or for the mailing list, let me know. (Legend@malcor.com still works, but I am switching to Shashtah@gmail.com.)

(We will start generating this list again as I see e-mails start bouncing.)

From Healer Adept Moonstar:

Our summer has passed all too quickly my friends! My son has now started his senior year in high school, and our house is a flurry of activity, including senior pictures, and colleges filling our house with fan letters (so I call them) for my son to consider their schools. As well as SAT prep, because apparently the first one he took he didn't feel the scores were high enough. He has also started student teaching within his community orchestra for the younger viola players.

I am now on the hunt for a used violin. In typical mom attempts to spend more time with her kid she realizes is leaving within a year, I have decided to have him teach me to play. I have been cruising Craigslist looking for good deals.

Last month my husband and I went on a week cruise to Mexico, and we were able to visit, Puerto Vallarta, and Cabo San Lucas, neither of which I had been to before. In Puerto Vallarta we went horseback riding, and in Cabo San Lucas we went on a boat ride to Land's End, which is where the beautiful arch, was formed by the Pacific Ocean meeting the Sea of Cortez. I think we tried also to eat everything they were serving on the ship (which is pretty impossible), and try out as many of the activities as we could manage, and still fit in an afternoon nap.

I have also started walking again, I feel like my back has finally healed enough that walking 3 miles a day to catch Pokemon, and pass Pokestops at the local park is not too taxing. I am hoping to build up another couple miles a day in the next month or so.

How did all of you pass your summer? Go out and explore the world, or stay home and binge Netflix, how many books did you find time to read? We would love to hear about it!

Until next time, in Love and Light, Hugs,
Moonstar
