Valdemar Crest

By

Larry Dixon

Heyla, Misty fans!

Happy September, we are sending Misty more love and healing energy as she continues to recover from outgassing experience at her hotel during GenCon.

Anyone lucky enough to live in Salt Lake City and going to FanX September 6-8 will have a chance to get a Misty hug, and visit with her. She will be doing signings Thursday and Friday.

Hugs-

Moonstar

## **Story Prompts:**

This month's story prompt is based on last month's RP over on Facebook. Should you need help joining the RP room, please contact me! I will be sure to add you.

"The Tayldras woman turns and starts heading back to town thinking, in a town called "Hotsprings" there had better be a Hot Springs."

As always, if you would like any story published you can submit it to Golden Grove [sn.keeper@yahoo.com](mailto:sn.keeper@yahoo.com) with Golden Grove in the subject line.

## **Contest Announcement:**

Reminder: We are now accepting submissions for the ongoing Queen's Own Contests. We will do a drawing every time we have 10 submissions, the winner of the contest will receive one of the randomly selected items below. You can only submit one submission per contest. Each submission must be Valdemar related. Submission includes, Artwork, Stories, Poetry, Articles, Book Reviews, and Cosplays. If it is Valdemar related it will count for a submission. All submissions will be shared in future newsletters, in the case of stories they will be sent on to the zines which are needing submissions. Once we have 10 submissions, there will be a drawing, this will be determined randomly for a winner as we do not want to be in the business of trying to determine better between apples and oranges. Please send in your

submissions to our PO Box, or preferably via email to myself ([healermoon@gmail.com](mailto:healermoon@gmail.com)) and Danya ([shashtah@gmail.com](mailto:shashtah@gmail.com)). (Currently we have 6 entrants) Good Luck my friends!

## Member News:

Editors and Chapter Presidents, please send us updated information if you have it.

## Local chapters:

The Canada Chapter is starting back up! I hope to have their updated information in the next newsletter. Who else is still active and who is not?

- ❑ **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author AZ" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

## Lost . . .

One of the challenges running an online club is that people don't always leave a forwarding address when they move <g>. If you are activated on the Persona List and still listed as "missing" below, let me know. I just forgot to delete the

“missing” reference in the newsletter. We are missing current e-mail addresses for just about everyone at this point. If you need your email address updated somewhere on the QO site or for the mailing list, let me know.

([Legend@malcor.com](mailto:Legend@malcor.com) still works, but I am switching to [Shashtah@gmail.com](mailto:Shashtah@gmail.com).)

(We will start generating this list again as I see e-mails start bouncing.)

### **From Herald-Mage Adept Danya Winterborn:**

Heyla! I’m really enjoying the return of our RPs! I hope more of you find time to join us for the next one.

Just finished a translation of a novel about King Arthur from Italian into American English and then had to convert it to the Queen’s English, so please excuse me if my grammar is a bit messed up.

Still waiting for the third book of my Dragonlords of Dumnonia series, *Dragon Voices*, to come out. I’ve sent the final corrections for the ebook and am waiting for the hardcopy proofs. (Unless I sent those in and forgot about them.)

The book I’m coauthoring on *The Sword in the Stone* is coming along. I hope to get the first draft done in the next few weeks. After that *The Chalice at the Cross*, a nonfiction book on the Holy Grail, is in the queue. Somewhere in there I have to finish another novel ☺.

A writer’s work is never done! My schedule is starting to sound like Misty’s, though I don’t think I’ll ever catch up with her output.

Zhai’helleva,

Danya
